📖 YOUR VIP SPIRITUAL PILGRIMAGE TO TIRUPATI

Complete Divine Journey, TTD NRI Fast-Track & SRIVANI VIP Darshan Itinerary

Personally Guided, Escorted, and Accompanied as a Fellow Pilgrim Throughout by Sri PrasannaKumar(92373286)

Residing in Singapore (PR for 28 Years), Family Residing in Tirupati, and Fluent in English, Telugu & Tamil

📋 Pre-Trip Essential Checklist

- **Identification (Critical for Entry Checks):** Original Physical Passport + Singapore Pink/Blue IC or Employment Pass. **Your physical passport must contain your official Indian Immigration Entry Stamp received upon landing at Chennai Airport.**
- **Travel & Medical Insurance:** It is mandatory for all pilgrims to purchase comprehensive international travel and medical insurance independently prior to departing Singapore. Your insurance policy must explicitly cover overseas medical treatment, emergency medical evacuation, trip cancellations, and luggage delays/losses. A physical copy of your insurance certificate must be kept with you throughout the journey.
- **Visual Identification:** All pilgrims will be issued official custom corporate company badges at the start of the trip. These badges must be pinned and worn visibly at all times throughout the journey (at airports, hotels, and temple assembly zones) for instant group identification and enhanced safety.
- **Flight Tickets & Visa Responsibility:** All flight tickets and Indian visas must be purchased and processed individually by the pilgrims themselves. To ensure our entire group travels together as a single unit, you must purchase your tickets for the specific airline and flight numbers that I will specify later. This ensures all bookings match our exact tour timings and ground transport schedules.
- **Your Guide's Promise:** As a Singapore Permanent Resident (PR) for the last 28 years whose family resides in Tirupati, and as an ardent devotee of Lord Sri Venkateswara Swamy, I operate this journey with utmost Bhakthi (devotion) and the highest ethical standards. This pilgrimage is a sacred service born out of deep faith, and I am your sole point of contact. You do not need to call or coordinate with

any third-party operators, sub-agents, or drivers. I am fluent in **English, Telugu, and Tamil**, and I will be standing right beside you as a fellow pilgrim throughout the entire trip. I will personally handle your documentation, entry permits, and group checks at every single border, hotel, and temple gate.

- **24/7 Premium Support: For your absolute peace of mind, I will be personally available to you 24 hours a day, 7 days a week, throughout the entire duration of the trip via mobile call and WhatsApp to assist with any questions, requests, or emergencies.**
 - **Temple Dress Code (Strictly Enforced by the Temple Board):**
 - **Men:** Traditional White Dhoti (Veshti) with Angavastram/Uttariyam. (No jeans, t-shirts, or western trousers allowed inside the complex).
 - **Women:** Traditional Saree or Salwar Kameez with Dupatta.
 - **Footwear:** Wear easy-to-slip-off footwear, as shoes are prohibited on the hill and inside all temple zones.
-

AIR-CONDITIONED ACCOMMODATION & ROOM SHARING POLICY

To ensure maximum comfort, privacy, and safety, all accommodation provided throughout this journey are structured under the following strict guidelines:

- **Premium Quality Standards:** All stays are arranged strictly in highly rated **fully air-conditioned 3-star hotel accommodation (strictly standard or premium class, not below 3-star hotel accommodation)**.
 - **Room Configuration:** Accommodation is allocated on a comfortable **Twin-Sharing / Double Occupancy** basis (2 pilgrims per room) featuring separate single beds or large double beds.
 - **Family & Single Allocations:** Couples, family members, and friends traveling together will be paired in private rooms. Individual travelers will be paired respectfully with a fellow pilgrim of the same gender.
 - *Note: If a pilgrim explicitly requests a private room entirely for themselves, a Single Supplement surcharge will apply to cover the additional hotel inventory costs.*
-

TTD SRIVANI TRUST VIP DARSHAN QUOTA & FEES

To ensure your premium VVIP access inside the inner sanctum close to the deity, our ground framework utilizes the official TTD SRIVANI Trust program under the following legal cost structure:

- **TTD Statutory Donation: ₹10,000 per pilgrim** paid directly as a mandatory spiritual donation to the Tirumala Tirupati Devasthanam's (TTD) Trust.
- **TTD VIP Board Ticket Cost: ₹500 per pilgrim** for the physical VIP Break Darshan admission token issued under the trust protocol.
- **Professional IT Procurement Fee: A dedicated service fee is paid directly to our specialized IT team and technical booking partners on the ground to securely handle the competitive transaction, navigate the high-demand booking portals, and successfully lock in the tokens.**
- *Note: All of the above trust donations, board fees, and specialized IT support fees are fully bundled and handled transparently inside your comprehensive land logistics arrangement.*

STRICT FOOD HYGIENE & SAFE DRINKING WATER POLICY

To guarantee the health, safety, and spiritual purity of our entire group, all catering and hydration adhere to the highest operational standards:

- **Premium Cleanliness:** Every single meal provided on this tour is curated strictly from **highly reputable, exceptionally clean, hygienic, and famous top-class pure vegetarian restaurants only**. We strictly avoid unvetted roadside stalls or unrated eateries.
- **Daily Mineral Water Supply:** To ensure absolute hydration safety and prevent waterborne illness, **we provide each pilgrim with two 1-litre bottles of branded mineral water every single day—one bottle distributed in the morning and one bottle distributed in the evening**. Pilgrims are advised to strictly drink from these sealed bottles throughout the journey.
- **Medical & Diabetic Support:** While certain legs of the trip feature traditional spiritual fasting structures before ascending for darshans, **your health is our highest priority**. For pilgrims who are **diabetic or require regular meals for medical reasons, a clean and complete breakfast/lunch will be fully provided and managed by us at the hotel**. You will never be forced to fast against your medical needs. I will personally oversee your dietary requirements to ensure a safe and blessed darshan.

The Auspicious Commencement: Assembly & Blessing at Singapore Changi Airport

- **Evening/Night:** Meet me, **Prasanna Kumar**, your dedicated Group Leader, at our designated assembly counter inside Changi Airport (Exact Row will be shared via our group WhatsApp).
